

LOCAL NOTES.

There is a surfeit of Japanese female house-servants in town.

The Nuuanu stream, as seen from the first bridge, has become almost dry.

The bark R.P. Rithet is making a long passage from San Francisco, this trip.

Admiral Walker has returned to the Flagship Philadelphia after a short sojourn at Waimanalo.

Trouble is reported to be brewing amongst the Japanese laborers at Makaweli plantation, Kana.

The bktnr Planter, Capt. Dow, sailed Saturday afternoon for Laysan island, to load guano for this port.

The C. and A. Co's steamer Arava is due here on Wednesday next, from the Colonies, en route to Vancouver B. C.

Do not forget the concert and ball at the hall of the Scottish Thistle Club on next Friday evening, August 3rd.

The continued absence of the wise president of the Board of Health will probably prevent a meeting of that body this week.

The steamers Iwalani, Claudine and Mikahala brought a total of 7,400 bags of sugar to port here during the past forty-eight hours.

It may not be generally known but, it is a fact that, Laysan island is taboo to visitors; no persons being allowed passage thereto.

The rains of yesterday fell more in the lower part of the city than in the mountains; as a consequence the reservoirs received little benefit.

The thrilling drama of "Oceania" turned out to be a roaring farce, on last Saturday evening, at the Opera House, and to a very poor audience.

The presidential side of Emma street is receiving a careful macadamization and pressing. Both steam rollers have been employed thereon for some time past.

Col. W. H. Cornwell, C. W. Ashford Esq. and Gorham D. Gilman and wife returned hither from windward ports, by the steamer Claudine, yesterday.

Tomorrow is shore drill day for the sailors and marines of the Flagship Philadelphia. Battalion drill will probably be held at the old Recreation grounds.

The telephone wires connected with several houses on Nuuanu street, show the profusion of local vegetation in the display of running vines on many of them.

The HOLOMUA gives its employees a holiday tomorrow. As the alleged "republicans" celebrate their holidays the boys working here consider themselves entitled to follow suit.

It was generally reported this morning that a shooting scrape had taken place at the Hotel. A captain with a posse of officers left for the supposed scene of action and returned with a report that the alarm was unfounded.

The Hawaiian National Band will give an open air concert tomorrow evening, at the grounds of the Hawaiian Hotel, in commemoration of the anniversary of the restoration of the independence of Hawaii by Rear-Admiral Thomas, on July 31st 1843.

The challenge of the owners of the Nevada to Mr. W. H. Cornwell has not been accepted. The owner of Johnny Hayward desires to take his horse home to his own ranch and does not consider the present circumstances of the country conducive to the encouragement of horse racing. In due time Johnny Hayward will be there.

BETTER THAN CROWLEY'S

Several Personally Conducted Enterprises of the Past.

There have been several "personally conducted" schemes in this country. The p. g. tried one, and D. M. Crowley has just finished his last. But the excursion effort in this line to the volcano, which Frank L. Hoogs is getting up, bids fair to be a greater success than either of the others. Mr. Hoogs has been working hard to ensure the comfort and pleasure of those accompanying him, and that he will do it, is not doubted by those who are acquainted with him. The party will leave here on the Kinau next Friday, and will be gone for eight days. This is not a long trip, but one which many can, a great, many can, take without any trouble at all, and one that they will never regret.

The bark S. C. Allen, Captain Thompson, will sail for San Francisco this afternoon with a light load of sugar.

The Steamer Waimanalo, Capt. Davies, left port here this morning, with a full cargo, for various ports on Oahu.

The steamer Makolii, Commodore McGregor, will leave port this evening at 5 o'clock for Molokai and Lanai ports.

Mr. Will H. McInerney, will act as attorney for Mr. Michael McInerney, during the latter's absence at the Coast.

The Honolulu Amateur Athletic Base Ball Club, will have a practice game on the Makiki grounds this evening at 5:30 p.m.

Burglaries on the Plains still continue to be reported without any mention of the personality of the burglar.

There will be an open air concert, by the band, at Emma Square, this evening; commencing at 7:30 o'clock. No new pieces.

Arthur Johnstone, editor of the Star, was the Chronicle correspondent and, very probably, is now. South East Bishop is also a correspondent, but of the United Press, which corporation is reported to have but little life left.

Joseph E. Wiseman, once well-known here as a combination of a "society and business man," has been lately heard from. He mentions many residents here who are now prominent in politics and touches upon a 'gold check deal' made some years ago, with a local bank clerk. He proposes to present some printed matter on the subject in a sworn affidavit, in the near future.

W. M. Cunningham is still taking his chances on Long Life Whisky and Ka Leo cocktails. He telephones to us that the cherries are holding out, but that Bush's admirers and Samoan friends are nearly finishing his stock of the Long Life. If you want to try it, hurry up, or you will mix your Saturdays and Sundays up in a sad degree.

Hare and Hound Race.

The Honolulu Amateur Athletic Club had their second paper chase on Saturday afternoon, the 28th inst. The Hares James Spencer and Lui Singer started from the corner of Fort and King streets, at 5:26 sharp, and the hounds after them at 5:30.

The course was out Kingdown to the water front, and back up Punchbowl, down School to Nuuanu, Vineyard and through the river and several other streets to the Y. M. C. A., from there back to the starting point. Spencer and Singer came in at 6:30.

The hounds came in, in the following order, beating the hares on time.

H. A. A. C.
D. Crosier, W. White,
T. Price, W. Prestedge,
W. Lyle, W. Thompson,
W. Bolster,
H. B. M. S. Champion,
R. Knight, Boardman,
Gumpers.

LADIES COLUMN.

This week will be one you will all remember aside from Double Width Serges (all wool) at 50 cents a yard. Waists will receive an awful Cut; such as Children's Double Ve Waists in two weights (Summer and Winter.) Equipoise Ladies Waists. Compromise Bodice Waists. Jeaneess Miller Waists. Children's Reefer Jackets and Children's Long Cashmere Coats.

Another line of goods that are worthy of your notice will be our Tusore Draperies for Curtains and Divans, there is no reason why you should let them pass.

You all know your friend, the P. D. Corset, none better were ever made, or sold at our prices. Ask to see our Tan Colored Hosiery to match the different shades of shoes. We have them for ladies and children all sizes, and when it gets to Ladies and Childrens Black Hosiery—no other House in town can offer you such a stock to select from or at our prices. At the same time buy Lubby a dozen of Fast Black Socks, for Two Dollars, he is now paying more money for them.

SATURDAY, Aug. 4th, will be the great Hosiery day with us, though we won't refuse to sell you them during the week.

One thing we wish to impress upon your minds, and that is we are actually selling goods for less money than we ever have before, all through the house, you will find a general mark down; they are the same High Class of Goods we have always carried; the secret of it all is, we are satisfied with less profit.

We have a lot of material that will make Handsome Costumes for the Masquerade Ball.

Yours etc.,

B. F. Ehlers & Co.

The FRANK L. HOOGS' Personally Conducted Excursion to the Volcano.

LEAVING ON THE KINAU FRIDAY, AUG. 3, 1894, AND RETURNING TO TOWN ON SATURDAY, EIGHT DAYS LATER.

Some people who claim to know all about it are of the opinion that the Crater's present great state of activity may not last over two months, and then it may drop out of sight altogether. If this story should turn out to be correct, there would be hundreds of people in this city who would regret that they allowed an opportunity to visit it go by. Why not go now? The Steamer Kinau will leave on Friday, August 3d, with an Excursion Party on board—another chance of the same kind may not present itself for a long time, and you are sure to enjoy the trip. A ticket will cost you \$50, which includes hotels and transportation. You will never forget your first sight of the Great Burning Lake, and without seeing it you will remain in the dark as to its appearance, as no pen can do it justice. The trip is a most enjoyable one; you spend a day or so in the beautiful town of Hilo; you traverse the Volcano Road with its wealth of tropical foliage, and when you reach the Volcano House you will say that the trip, so far, is of the memorable order. But this is nothing compared to the awful splendor of the Crater; there is nothing like it in this earth. Read the Advertiser of Monday, July 23rd, and get an idea of what awaits you high up in the mountains of Hawaii. jy26
